

## Member of the Finance and General Purposes Board

**Do you want to contribute to building, protecting and strengthening the values of the medical profession? Do you want to use your skills, knowledge and expertise to see doctors educated and trained to the highest medical standards, and delivering high-quality patient care?**

**The Royal College of Physicians is one of the oldest medical institutions in the world, established by Royal Charter in 1518. Our purpose is to play a leading role in the delivery of high-quality patient care by setting the highest standards of medical practice and promoting clinical excellence.**

The College is seeking to appoint a committed and motivated individual to its Finance and General Purposes Board (F&GPB). As a Board member you will use your insight and experience to assist the College in monitoring and reviewing:

- financial planning and performance
- management of resources including investments, buildings and IT infrastructure
- management and engagement of College staff
- the College's risk-management strategies.

The ideal candidate will have senior-level experience of the not-for-profit or higher education sector, preferably holding or having recently held a senior position, or trustee or voluntary post, with a comparable organisation. You will have specific professional experience or expertise in charity finance and accounting. You will be sympathetic to the vision of the College.

### The Finance and General Purposes Board

The F&GPB is responsible to the Board of Trustees, which is the ultimate decision-making body of the College. The F&GPB meets quarterly at the College's buildings in Regent's Park, London NW1. Members hold their positions on an honorary basis; travel expenses are reimbursed.

**To express an interest in this opportunity and to find out further information, please write enclosing your CV to the Treasurer, Sir Richard Thompson, at: The Royal College of Physicians, 11 St Andrews Place, Regent's Park, London NW1 4LE.**

### The Royal College of Physicians

The College is an independent professional membership organisation representing the interests of over 23,000 physicians worldwide.
