Advertising opportunities with RCP publications
The Royal College of Physicians (RCP) offers both print and digital advertising for its membership magazine *Commentary*, and digital advertising in its two medical journals *Clinical Medicine* and *Future Healthcare Journal*.

**Clinical Medicine**
6 online editions per year

A peer-reviewed journal of the RCP, *Clinical Medicine* publishes advances in general and specialist medicine and authoritative reviews on thought-provoking topics. It aims to directly improve readers’ clinical practice by providing evidence-supported and relevant learning, via original research, guideline summaries and clinically focused reviews. The dedicated CME section focuses on the latest developments in a specialty, with self-assessment questions for readers to attain CPD accreditation.

*Clinical Medicine* is an invaluable and comprehensive resource for physicians seeking high-quality, topical updates in general medicine and across the specialties.

**Future Healthcare Journal**
3 online editions per year

A peer-reviewed journal of the RCP, *Future Healthcare Journal* brings together international healthcare commentators from a variety of disciplines to provide readers with the information and knowledge to deliver transformational, sustainable system change.

This unique, influential and challenging journal publishes evidence-based papers on a broad range of themes, from workforce planning and healthcare leadership to systems engineering and digital health.

**Commentary**
6 editions per year: 3 print, 3 online only

Commentary is the RCP’s membership magazine, and an important channel for the RCP to inform, inspire and entertain its members and fellows. Readable and entertaining, *Commentary* carries RCP news, thought-provoking features of interest to clinicians and updates on the engagement of the RCP with the wider community.

*Commentary* is an important channel for the RCP to inform, inspire and entertain its members and fellows.

*Commentary* has print mailings in January, May and September. Please contact publications@rcp.ac.uk to discuss production schedules and for more information.
