

As an RCP fellow, you will belong to an influential and diverse community of genuine change makers, who value your expertise to shape better, more equitable healthcare. Fellowship also provides the professional recognition your achievements deserve, opportunities to fulfil advisory and leadership roles, and a platform to further your career.

Get involved with your RCP fellowship

- > use FRCP in your post-nominal
- > propose candidates to become RCP fellows
- > vote for councillors and officers, and attend the AGM
- > represent your colleagues and specialty in advisory and committee roles
- > contribute to the RCP website
- > apply for, or be nominated in, the annual [Excellence in Patient Care Awards](#)
- > join RCP [working parties](#), forums and [committees](#).

Learning tools

- > access to [RCP Launchpad](#) – essential resources for new consultants and SAS doctors
- > benefit from full access to [Clinical Medicine](#) and [Future Healthcare Journal](#), with specially curated member email alerts
- > access all [e-learning courses](#) (except PACES masterclass) for free
- > free access to the online [CPD diary scheme](#) and app, saving you at least £165 a year
- > free access to [clinical and CPD material](#), including e-journals, e-books and databases (via an RCP Athens account)
- > access to the [RCP Library](#), with free Wi-Fi, dedicated study spaces and a range of library services
- > free access to [RCP Player](#) for webinars and conferences
- > [regional](#) and [international](#) support networks.

Discounts

- > discounts on [RCP events](#) and courses
- > 10% discount on RCP publications including national clinical guidelines and reports
- > competitively priced accommodation for fellows and their families at [William Harvey House](#)
- > UptoDate discount.

Stay up to date

- > receive regular copies of [Commentary](#), our members' magazine
- > RCP updates and fellowship e-newsletters.
