What's New

***Coming soon: The 4th round of the Organisational audit**

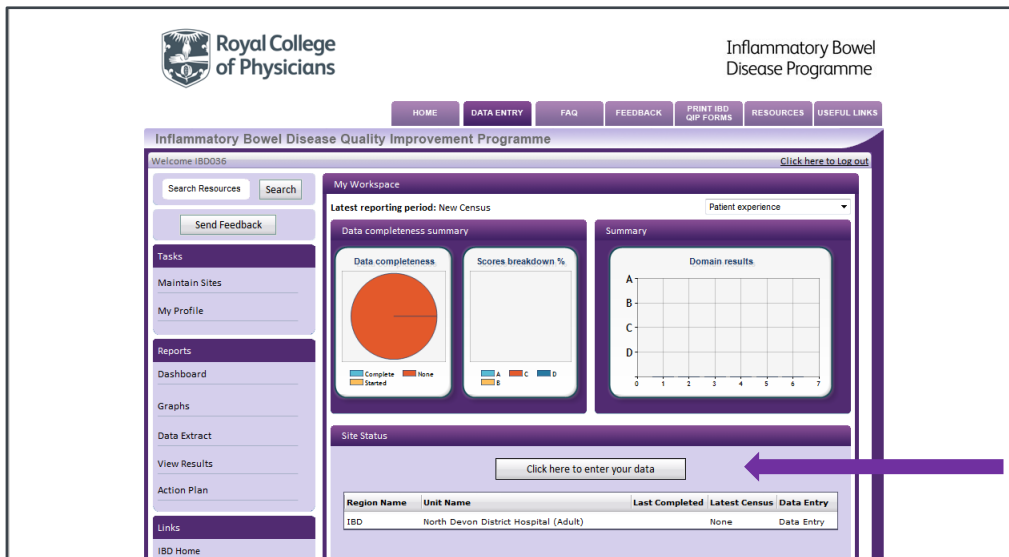

Data entry opens 4th Feb 2014 and closes 31st March 2014

Get ready... get ahead...book your meeting

Please REMEMBER that this needs to be completed by all parties involved in the provision of care including lead clinicians, nurses, service managers and most importantly a patient(s). It is important that you let your team know and arrange a meeting to discuss your site's answers.

You should have received log in details for your site, please contact the IBD audit team if you do not have these yet.

For further enquires please contact:

The UK IBD audit project team at
