

UK IBD audit – round 4

Organisational audit – How to access your site results

The reports panel on the web tool gives you access to your site results. These results are represented in various formats and can be downloaded after data completion.

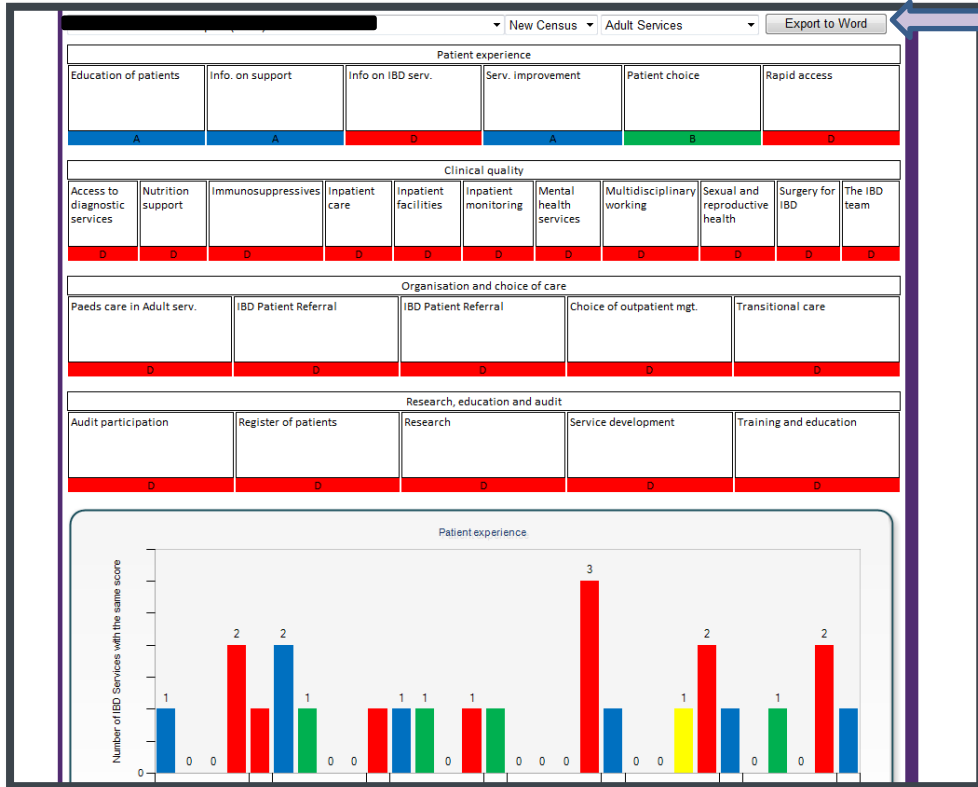

The screenshot shows the web tool interface for the UK IBD audit. The top navigation bar includes 'Home', 'Data Entry', 'Supporting Documentation', and 'Resources'. The main content area is titled 'My Workspace' and displays 'Latest reporting period: Round 4'. A 'Reports' panel is visible on the left, with an arrow pointing to it. The main workspace contains several data visualization components: a 'Data completeness summary' with a pie chart, a 'Score breakdown %' chart, and a 'Summary' section with a 'Domain results' table. A 'Site Status' section at the bottom includes a button 'Click here to enter your data' and a table with columns for Region Name, Unit Name, Last Completed, Latest Census, and Data Entry.

Region Name	Unit Name	Last Completed	Latest Census	Data Entry
IBD	County Hospital, Hereford (Adult)		None	Data Entry

Reports panel

- Dashboard** : This gives you your site scores graded 'A-D' on all measures of the dataset compared against national averages
- Data extract**: This allows you to export your results to an excel spreadsheet
- View results**: Gives you access to your individual 'yes'/'no' answers to the audit questions.
