

## Royal College of Physicians (RCP) National CMT Showcase 2019

**On:** Tuesday 18 June 2019  
**From:** 9.00am – 4.30pm  
**At:** Royal College of Physicians (RCP),  
William Henry Duncan Building,  
6 West Derby Street, Liverpool, L7 8TX

The RCP aims include improving patient safety and supporting doctors' development and training throughout their careers. With these aims in mind, RCP is once again hosting RCP's annual national showcase event for CMT trainees' Quality Improvement (QI) project work, shared via presentations and posters. Attendees must please be notified to RCP and drawn from the trainees that come top at the Regional Events for this QI competition.

The programme enables CMTs to share and inspire innovation through their quality improvement opportunities and achievements. Our aim is to celebrate QI innovation alongside maximising learning and improvements on a national scale, as we together spread the possibility of service development. A panel will agree an overall winner and two highly commended candidates. They will receive peer support for peer review publication.

**Attendance fee** for the day: £95 ..... (NB: The charge is redeemable the trainee's study leave budget).  
**IMPORTANT:** We ask TPDs to consider how best they support attendees to have their study leave approved promptly - in case nominated attendees are left with little time to achieve this (e.g. the timescale to allow this may be significantly shorter than the usual minimum notice requirements for study leave applications).

**On the day:** The fee covers a comprehensive programme for the day including: refreshments on arrival, a chance to network with other CMTs, hear from keynote speakers **Dr Jackie Bene OBE**: *From SHO to CEO – advice for future leaders*; also speaker, **Dr Hannah Baird** addressing: *Trainees Improving Patient Safety through Quality Improvement (TIPS) QI programme: changing the paradigm of training*. Plus, the chance to hear from CMT regional winners, sharing their inspiring QI project work, a buffet lunch with the opportunity to view and discuss posters exhibited by CMT runners up.

**Next steps:** You are kindly requested to notify RCP of your overall regional winner and two runners up- by **10 June 2019**. Please do so by emailing the following details below to: [rcpqj@rcplondon.ac.uk](mailto:rcpqj@rcplondon.ac.uk), using the email subject heading: **CMT Showcase 2019**:

- Region details/name
- Name and contact of overall winner
- Name/contact runner up A
- Name/contact runner up B
