

Using the reading room

The following facilities are available to all visitors:

- PCs with internet access, a scanner and printer
- wi-fi and power points for mobile devices
- desks for consulting materials and using laptop
- reference access to books, journals and newspapers
- finding aids for library and archive collections

We kindly ask that visitors observe the following:

- talk quietly only without disturbing others
- turn their mobiles to silent and take telephone calls on the gallery outside the library
- move to the gallery if they wish to eat or drink
- use pencils only during research appointments
- ask staff before using non-flash photography
- do not use flash photography at any time
- keep personal possessions with them at all times as the RCP can not accept responsibility for losses
- leave PC settings as they find them.
