

National COPD Audit Programme: Moving to continuous data collection and developing QI initiatives

To be held at the Royal College of Physicians, 11 St Andrew's Place, Regents Park, London, NW1 4LE, on **Wednesday 27 July 2016**, in the Dorchester Library

Event aims and objectives: To share information regarding the upcoming change to continuous data collection for the secondary care audit of the National COPD Audit Programme; and to share quality improvement plans and methodology.

The bespoke web tool provider, Crown Informatics, will be available in the Linacre and Sloane room during the breaks to answer any questions, and provide further demonstrations of the web-tool.

09.30– 10.00	Registration and refreshments
10.00– 10.20	Welcome <i>Professor Jane Dacre, President of the Royal College of Physicians</i>
10.20– 11.00	Background and overview of the audit programme and welcome <i>Professor Mike Roberts, Clinical Lead for the National COPD Audit Programme</i>
