We are grateful to the following companies for sponsoring this event: Astrazeneca, Bayer, BMS and Pfizer. Please note that sponsors have had no involvement with the planning of the programme.

Please note that any presentations shown at this event have been produced by the individual speakers. As such they are not owned by, and do not necessarily represent the views of, the RCP.
SPEAKER INFORMATION

Dr Liz Hamilton
Dr Hamilton is treasurer and co-founder of AMGER. She is an Acute Medicine physician at West Suffolk Hospital.

Dr Adrian Jennings
Dr Jennings is an RCP Regional Adviser, Censor and Member of Council. Dr Jennings is a Consultant in Diabetes and Endocrinology at Queen Elizabeth Hospital, King’s Lynn.

Dr Will Petchey
Dr Petchey is a Consultant Nephrologist at the Oxford Transplant Centre. He completed his PhD at the NHMRC Centre for Clinical Research Excellence in Queensland before completing his training in the East of England.

Professor Mervyn Singer
Professor Singer is a Professor of Intensive Care Medicine at University College London. He is a physician by trade. His primary research interests are sepsis and multi-organ failure, infection and shock and haemodynamic monitoring. Professor Singer is co-chair of the Sepsis-3 Definitions International Task Force.

Dr Peter Young
Dr Young is a Consultant in Anaesthesia and Critical Care in Queen Elizabeth Hospital, King’s Lynn. Dr Young is a proven innovator having developed ten devices, three of which have been brought to the market. He has recently been invited to form a new fellowship programme called the NHS Innovation Accelerator (NIA).

Dr Prina Ruparelia
Dr Ruparelia is a Consultant in Respiratory Medicine at Addenbrooke’s Hospital. Dr Ruparelia completed specialist training in London. Dr Ruparelia is the lung cancer lead at Addenbrookes hospital.

Dr Haris Marath
Dr Marath is a Consultant in Acute Medicine and Diabetes and Endocrinology at West Suffolk Hospital, Bury St Edmunds. He started his training in India before completing his specialist training in East of England. He has an interest in calcium disorders and vitamin D.

ACUTE MEDICINE GROUP IN THE EASTERN REGION (AMGER)
We are a group of acute physicians and physicians who have an interest in acute medical care who work within the east of England. We come together to share knowledge, pathways and processes: to ensure that we all provide high quality patient care whilst recognising the pressure placed on acute services.

DR HARITH ALTEMIMI (CHAIRMAN) DR IMMO WEICHERT (VICE CHAIRMAN) DR LIZ HAMILTON (TREASURER)

Gill Brown, RCP Regional Manager, 01858 465944, EasternRegion@rcplondon.ac.uk
